Established in Dubai at a tipping point of the industry, to create an impact in a market which was just evolving empowered by a joint effort of the public and private sectors, aiming to change the perception of the market and market players. We chose to participate in setting a benchmark of higher levels of transparency, professionalism and investor protection. Believing that client satisfaction and retention are the key factors of sustainability and organic growth in a market nearing maturity, we laid down the corner blocks of an organization that reflects the history of its' founders.
